SSE 1 Year Fix and Protect

Terms and Conditions

SSE 1 Year Fix and Protect Terms and Conditions

1. These Terms and Conditions are in addition to our General Terms and Conditions for the Supply of Electricity and/or Gas to Domestic Customers. In the event of a conflict between these terms and the General Terms and Conditions for the Supply of Electricity and/or Gas to Domestic Customers, these terms shall prevail. Any terms defined in the General Terms and Conditions for Domestic Customers will have the same meaning in these Terms and Conditions.
2. Our prices for the supply of your electricity and/or gas will be fixed for a period of 12 months commencing on your tariff start date. Your tariff start date will be either:
 - i. the date your electricity and/or gas supply(ies) switches to SSE 1 Year Fix and Protect from your existing SSE energy tariff; or
 - ii. the date your electricity and/or gas supply(ies) transfers from your previous supplier(s) to us

Where both your electricity and gas supplies are being transferred, then the tariff start date will be the later of the two transfer dates.
3. You will be provided with a 12 month SSE Heating Breakdown Cover. The start date will be the next working day after your tariff start date as detailed in paragraph 2. The cover will be for the same property for which we supply the energy tariff. The £90 excess will still be valid per breakdown. You will be provided with the full Policy Booklet for this product and it should be read in conjunction with these Terms and Conditions. The SSE Heating Breakdown Cover is only available free of charge for 12 months.
4. If you have a Pay As You Go meter installed in your property or if you have an existing SSE Heating or Boiler Cover, then you will not be eligible for the SSE 1 Year Fix and Protect tariff.
5. By signing up to the SSE 1 Year Fix and Protect tariff you are registering your interest for a Smart Meter. This means we may contact you in the future to discuss a smart meter installation as and when you become eligible.
6. This tariff is available to Dual Fuel and Gas only customers who pay by monthly or quarterly direct debit only. The direct debit details supplied will be used to automatically renew the SSE Heating Breakdown Cover at the expiry of this 12 month term, as detailed in paragraph 9.
7. You must be the homeowner, on the gas network and with a mains gas boiler. Geographical exclusions apply.

8. Your SSE 1 Year Fix and Protect tariff will end:
- i. 12 months after the tariff start date (Fixed End Date); or
 - ii. immediately when you move home, change to a Pay As You Go meter, change your tariff or change supplier.

At the end of SSE 1 Year Fix and Protect your energy supply will switch to:

- i. our cheapest standard variable tariff; or
- ii. a default fixed term tariff with no exit fees, whichever is the cheapest.

Where both are the same price, you will switch to the default fixed term tariff.

We will write to you between 42 and 49 days before the Fixed End Date to remind you of this and advise you of our cheapest tariff at this time based on your estimated annual consumption and your chosen payment method.

9. At the end of the 12 month term, your SSE Heating Breakdown Cover will renew for a further 12 months, this will be a paid for cover. We will write to you 21 days in advance of the renewal to advise you of the cost and cover details. You will be given time to change the level of cover or cancel should you wish.
10. You are not required to give any form of notice to leave SSE 1 Year Fix and Protect.
11. If you leave SSE 1 Year Fix and Protect at any time after your start date and more than 49 days before the Fixed End Date, we reserve the right to apply an exit fee

of £25 per fuel. We reserve the right to apply the exit fee to either or both of your electricity and/or gas account. This fee will not be applied if we provide you with notice of any changes to your terms that may disadvantage you. There will be no cancellation fees for the SSE Heating Breakdown Cover.

12. If you move home you are unable to transfer this tariff including the SSE Heating Breakdown Cover to your new property. No exit or cancellation fees will be applied. If we supply the property you will be put on our standard variable tariff until you select a new tariff or supplier. If we do not supply your new property then you will be on whichever tariff the supplier of that property has in place.
13. If you terminate your SSE 1 Year Fix and Protect Tariff for your Energy Supply, we will also cancel the SSE Heating Breakdown cover.
14. If we identify that we are unable to cover your Boiler during either sign up or at a breakdown visit, we will contact you to switch to one of our other tariffs. There will be no cancellation or exit fees applicable.

7. CLAIMS AND EXCESS

7.1. You acknowledge and agree that you cannot make a claim during the Claims Freeze Period.

7.2. There is no limit on the number of Claims you may make during the course of this Agreement.

- 7.3. The repairs covered by this Agreement will depend on the type of Product you have chosen.
- 7.4. As the Products have an Excess, a charge is payable for each new Claim and this must be paid before an Engineer will come to your Property. Only one Excess shall be payable in relation to each Claim. An Engineer will determine (acting reasonably) whether a fault is related to any of our recent repairs or work, and if this is the case we will refund the Excess to you.
- 7.5. If your Claim is in any way dishonest or exaggerated, we will not pay any benefit in relation to the fraudulent act or Claim under this Agreement. We may cancel your Agreement immediately and backdate the cancellation to the date of the fraudulent action. We may also take legal action against you and notify the police.

8. NOT SUITABLE FOR COVER

- 8.1. If we identify that your System is not suitable for our Products in accordance with clause 6, our Engineer will advise you of this at your appointment.
- 8.1.1. **If you have not had previous works completed under this Agreement**, we will terminate this Agreement and refund you any premiums and Excess payments that we have received from you in your current Contract Year. You will not be responsible for any further payments to us under this Agreement.
- 8.1.2. **If you have had previous works completed under this Agreement**, we will terminate this Agreement and we will not refund you any premiums and Excess payments that we have received from you in your current Contract Year. You will not be responsible for any further payments to us under this Agreement.

9. BEYOND REPAIR

- 9.1. If we identify, acting reasonably, that your System is Beyond Repair, our Engineer will advise you of this at your appointment:
- 9.1.1. **If you have not had previous works completed under this Agreement**, we will terminate this Agreement and refund you any premiums and Excess payments that we have received from you in your current Contract Year. We will also provide you with a £250 (two hundred and fifty pounds sterling) payment once proof of a new boiler being installed has been provided to us within 60 days of our Engineer visit.
- 9.1.2. **If you have had previous works completed under this Agreement**, we will terminate this Agreement and we will not refund you any premiums and Excess payments that we have received from you in your current Contract Year with the exception that we will refund you the Excess you have paid for the most recent Engineer visit that identified the system as Beyond Repair. We will also provide you with £250 (two hundred and fifty pounds sterling) payment once proof of a new boiler being installed has been provided to us within 60 days of our Engineer visit.
- 9.2. Clauses 9.1.1 and 9.1.2 shall survive termination of this Agreement for a period of up to 60 calendar days.

12. LEGAL

- 12.1.** This Agreement and the Products are only suitable for home owners. This means that if you are a tenant, you are not eligible for the Products.
- 12.2.** If you are a landlord then you agree that you are not permitted to re-sell the Product to anyone, including to a tenant.
- 12.3.** We may assign or transfer all, or any part of our rights and subcontract any of our obligations under this Agreement without your consent provided that the transferee holds the applicable industry registration, where necessary. Your rights under this Agreement will not be affected.
- 12.4.** We will always communicate with you

(including our terms and conditions) in English.

- 12.5.** We may vary the terms and conditions of this Agreement at any time. If we vary the terms and conditions to your material disadvantage, we will notify you of such variations and the date on which they will start by providing you with thirty (30) days notice of this. If you notify us that you are cancelling this Agreement in response to our notice under this clause 12.5, then such variations shall not be effective in respect of your Agreement. You will not have to pay a termination charge and we will refund any payments you have made in advance. Otherwise the new terms and conditions will apply commencing on the notified date.

- 12.8.** Otherwise we will only be responsible for any loss or damage which is a foreseeable result of our breaching this Agreement or our failing to use reasonable care and skill. Our maximum liability arising out of this Agreement is limited up to £100,000 in any Contract Year. Loss or damage is foreseeable if either it is obvious that it will happen or if, at the time the Agreement was made, both we and you knew it might happen, for example, if you discussed it with us during the sales process.
- 12.9.** Notices required under this Agreement will be in writing and delivered by hand, sent by post or e-mail (where provided and permitted). We will send notices to your billing address or your e-mail address. We will assume you have received the notice 3 Business Days after we have sent it unless we receive evidence to the contrary. OVO (S) Home Services Limited, Grampian House, 200 Dunkeld Road, Perth, PH1 3GH, or email us at home.services@sse.com

- 12.10.** If any part of this Agreement is not permitted or is held to be ineffective by any court of law or other regulatory or competent body this will not affect any other part of this Agreement.
- 12.11.** If your boiler, appliance or System is covered by a third party warranty, it's your responsibility to make sure that any work we do doesn't affect that warranty.
- 12.12.** If our supply of the Product is delayed by an event outside our control then we will contact you as soon as possible to let you know and we will take steps to minimise the effect of the delay. Provided we do this we will not be liable for delays caused by the event, but if there is a risk of substantial delay you may contact us to end this Agreement and receive a refund for any Products you have paid for but not received.
- 12.13.** We are under a legal duty to supply Products that are in conformity with this Agreement. Nothing in this Agreement will affect your statutory legal rights.
