

SSE Product and Price Guide

for the 190C range of non-fixed
term broadband packages

June 2020

The 19OC range of SSE Broadband Products

Product name	(19OC) Unlimited Broadband	(19OC) Unlimited Fibre	(19OC) Unlimited Fibre Plus
Maximum Download Speed	Up to 18Mbps	Up to 38Mbps	Up to 76Mbps

Our non-fixed term broadband packages, part of the 19OC product range, provide access to the internet from a fixed location. They are only available to domestic customers with an active phone line.

Each of these products come with an unlimited data usage allowance. There are factors which could affect the speed of data transfer and hence the amount of data that can be downloaded/uploaded on any given day, such as your maximum line speed as well as network capacity. Adverse weather conditions, internal wiring, electrical interferences, network congestion and technical restrictions of your browsing device may all affect the download/upload speed and are beyond our control.

A personalised download speed estimate for broadband at the property is provided before the point of sale, but this estimate remains a guideline as the actual speed will always be affected by the factors highlighted above.

To enable the connection, we provide a pre-configured self-install wireless router that will connect to our network with minimal effort. An engineer appointment at the customer's premises may sometimes be required; if this is the case a quotation for any specific/additional charges would be provided prior to arranging the appointment. Our 'Guide to Engineering Works and Equipment' can be found at sse.co.uk/help/phone-and-broadband/ and provides useful information on possible additional charges.

Prices

The price of these broadband packages is listed below.

Broadband Product	Standalone price
(19OC) Unlimited Broadband	£28
(19OC) Unlimited Fibre	£33
(19OC) Unlimited Fibre Plus	£36

A one-off initial £60 broadband connection fee is applicable for new broadband customers. All prices quoted include VAT at 20%, unless otherwise stated. Pricing updates are found on our website at: sse.co.uk/help/phone-and-broadband/price-changes

Other important information

1. Switching from another provider takes around 18 days for most customers:
 - We'll arrange to switch your broadband service to SSE from your current provider;
 - You won't need to contact your current provider unless your service is with Virgin Media;
 - Your current provider will contact you to confirm your supply is switching away and will let you know any exit fees for your contract with them; SSE will let you know what your planned start date is by email or letter around 10 days after you signed up;
2. About bills: the default option offered to all new customers is monthly e-bills; a monthly paper bill can be requested at a charge of £2 per bill. Only one bill is produced for phone and broadband services.
3. Bill calculation: monthly bills are issued on a 30-day cycle, plus or minus a few days, but the first bill may take up to six weeks. Your bill calculation is based on the number of days in your billing cycle, therefore your monthly bill may be slightly higher or lower than the standard price. However, this does not mean that you have been overcharged or undercharged in any one billing period.
4. The standard payment method available to new customers is variable Direct Debit.
5. It is important that you are aware of our:
 - General Terms and Conditions for the Supply of Broadband service;
 - Broadband Code of Practice;
 - Complaints Code;

Cancellation Charges

If you cancel your broadband order before your service start date, there will be no charge unless you have already received your router and you do not return this to us. When you notify us of your cancellation, we will send you a prepaid postage envelope for the return of the router. Should you not return your router within 30 working days an equipment charge of £54 will be added to your account.
