# Guide to International Pricing

For all our phone packages

Applicable from 15th May 2019

# International calls

We have two rates for each international destination: one is applicable to standard fixed line numbers and one is applicable to mobile and special rate. These rates are specified in your package pricelist.

## Price band table for international destinations

The table below summarises the charge band groups that are applicable to international destinations for both fixed and mobile numbers. To find out the rates applicable to each charge band, please see your package price list.
